

Welcome

Birch Bay Bible Community Church (BBBCC) is more than just a place where people come to worship once a week. BBBCC welcomes you to a community where the message of Jesus Christ impacts and transforms lives. Each weekend we seek to create an environment filled with great music, creative teaching and relationship building where people can come and take another step forward in their journey of faith. We also have fun and safe environments where your children can grow, laugh and learn about a God who loves them.

If you have questions or want more information, know that you are just a click away from finding many of your answers. Browse through our online information and once you have gotten to know us a bit, why not take the next step and visit us in person.

So, whether you are single, married, single again, with or without children, no matter where you've been or what you've done, we invite you to come as you are and leave different.

God Bless,
Birch Bay Bible Community Church
